## City Hears Gripe On Junk Car Pickups

A citywide pickup of junk or abandoned cars came under discussion at Tuesday's city council meeting as a resident protested having a car towed away on Monday.

Roy Law, Cameron resident, spoke for Mrs. Margaret Borgas, whose old station wagon was towed away from in front of her house. She said she was trying to sell the motor and did not receive a letter warning her of impending removal.

Under questioning, Mrs. Borgas said the car had been there two or three years, and Ed Bigbee, code inspector, said according to the city ordinance vehicles abandoned on public property could be removed without notice.

Council voted to let the woman have ten days in which to sell the motor and waive the \$1 a day storage fee for those ten days. Law said he did not agree with the decision.

In other business, council voted to suspend for 60 days a request from Lone Star Gas Co. for a rate hike in the city, starting from Nov. 26, in order to have time to study the request.

Bids were opened on a business machine for city hall, pipe for an 8" waterline for east Cameron, on a used motor grader, and alum for the water department.

Councilman Monroe Fuchs suggested that the city should support

the Youth Exposition Association by paying up to \$200 a month for utilities and got into a lively argument with Councilman Gene Lumpkin over the matter. Fuchs said it was "sad" that a councilman (Lumpkin) on the Association committee should vote against helping the youth. When put to a vote, the utility motion passed on four ayes with Lumpkin voting no.

The city will advertise for bids on construction of a waste-water settling basin which is required by new state law. Projected cost is between \$8,000 and \$10,000.

Mayor Lawrence Zott announced that Dennis Richter, Bell Telephone district manager, will meet with him on Monday to discuss the current work being done in the city on burying phone cables.

## Brown, Agent Speak Against Reservoir

Reeves Brown, of Cameron, and County Agent Bill McCutcheon Saturday spoke against any plans or construction of a Cameron Reservoir at a Waco hearing of the Texas Water Development Board.

Spokesmen for the Development Board said the two Milam Countians appeared in behalf of a group of citizens against construction of a Cameron reservoir south and west along the river basin of San Gabriel and Little River.

A total of 13 speakers appeared before the regional public hearing in Waco, reviewing Texas water needs for the next generation.

The \$400 million bond proposal No. 1 on the Tuesday ballot was defeated by Texas voters. Proposal No. 2 for \$100 to \$200 millions for water "enhancement" was leading late Tuesday night.

A proposal for a reservoir in the Cameron area was made in 1969 during a Texas Water Plan election which was defeated.

Experts in the field are evaluating public attitudes on the needs and possibilities for water development because of the state's growth and lack of water in South and West Tex-

## Ground Breaking For Expo Building Set For Saturday

Ground breaking ceremonies for the Milam County youth exposition building will be held at 11 a.m. Saturday, Nov. 6.

It has been announced that the fund for the building has reached \$63,700 still some short of its \$65,000 goal. Additional donors are: Cameron Young Farmers Chapter, Henrietta Mode, Perry Bros., Inc., Dr. George Bowman, Lone Star Beer Distributors, Glass the Florist, Neil Barr Texaco, W. C. Keith Jr., Buddy Dulin, Smead Lewis, Charlie Robinson.

Also, Odie Mills, Johnny Diver, Richard Heine Jr., Donny R. Heine, Walter Dally, W. T. Pearson Jr., Dr. Gus Evans, Mrs. Sam B. Houston in honor of Maraksville 4-H Club, W. J. Story, Harry W. Tag, J. E. Flinn, Lowe's Red and White, Ben Milam Post 2010-VFW.

## Help Elect Carter Demos Sweep Milam

### School Wins Fitness Award

Gause Elementary School is the Texas winner in the President's Physical Fitness program for the third straight year. It was announced by Gov. Dolph Briscoe on Monday.

The state champion award is given to the school in each state with the highest percentage of pupils qualifying for the physical fitness award.

A pupil must be in the top 15 percent to qualify.

The program involves six strenuous tests. Briscoe said in a statement.

A total of 7,272 Milam County residents voted in Tuesday's general election, and helped place Jimmy Carter in the president's seat for the next four years. Carter received 4,871 votes in the county to Gerald Ford's 2,404.

Voters turned down both water bond amendments, although Amendment No. 2 passed statewide. Voting was 1,842 for No. 1 with 2,922 voting against. No. 2 drew 2,254 votes for and 2,948 against in Milam County.

Veteran Democratic Congressman W. R. Poage was re-elected along with Sen. Lloyd Bentsen and Railroad Commissioner Jon Newton. It was no surprise to see the Democrats carry Milam County.

Complete totals for each precinct can be seen on the chart on this page.

Other returns in the county included 5,767 votes for Jack Pope, associate justice of the supreme court; 4,451 for Don Yarbrough, associate justice, place 2; 5,836 for James G. Denton, associate justice place 3; 5,789 for John Onion Jr., presiding judge, court of criminal appeals; 5,791 for Truman Roberts, judge, court of criminal appeals; 5,742 for W. T. Phillips, judge, court of criminal appeals unexpired term.

State Sen. Bill Patman, 5,891 votes; Dan Kubiak, state representative 6,400; Bob Shannon, associate justice court of civil appeals, 5,776; District Judge Don G. Humble 6,199; County Attorney John B. Henderson Jr. 6,133; Sheriff Leroy Broadus 6,360; and Valter White, tax assessor collector 6,355.

## Buckholts School Sets Homecoming, Pre-Game Supper

The Buckholts School is sponsoring its annual Homecoming Saturday, November 6.

A supper will be served in the school lunchroom from 4 to 6:30 p.m. Tickets may be purchased at the door.

The Homecoming Sweetheart will be announced and presented with a bouquet of flowers at 7:15 p.m. on the football field. Candidates for Homecoming Sweetheart are: seniors - Laura Kuzel and Cassandra Marak; junior - Donna Hause; and freshman - Mary Helen Rodriguez.

At 7:30 p.m., the Buckholts Badgers football team will play the Ogleby Tigers in a district contest.

as.

A group of landowners in 1969 voiced similar concern for any proposal for a Cameron Reservoir which would inundate land in a shallow lake.

Laneport Reservoir is under construction upstream on the Little River.

TWDB executive director James M. Rose presented a 20-minute speech - and - lecture presentation on future needs for water in Texas. It was one of about 30 public hearings held in Texas the past year.

### Yoe Band Rates First

The Yoe High Band received a "one" rating in UIL marching competition at Waco Tuesday. This is the second first place division the band has won under the direction of Jerry Bartley, who has been with Yoe for three years.

## Inscrutable Destiny? . . .

The McCarthy 5 percent failed to materialize and Jimmy Carter held onto a 272-electoral-vote margin to win the nomination.

Projections Wednesday morning gave President Ford 235 electoral votes with Oregon, Alaska, and Ohio still out. Those results were moot, still too close to call.

Carter's popular vote lead was about 1.5 million early Wednesday in a vote of about 75 million. It was a better turnout than expected, a factor that gave the first Southerner since 1850 the Presidential edge in a Southeast-to-Northeast tier of states.

Ford's supporters early Wednesday filed a lawsuit to impound the election results in voting machines in New York City, anticipating a test of New York's first registration by mail and the close results of the city vote. It is conceivable that any major irregularity might affect the outcome, as a remote possibility, if every other remaining state went into the Ford column.

Mr. Carter goes into the White House in January without mandate, either by popular or electoral vote. He ran 51 percent to Ford's 48 percent almost from the beginning of the count.

There were practically no changes in the numbers of Democratic senators, congressmen, or governors around the 50 states. Mr. Carter cannot say he influenced state and local elections, gaining no particular advantage with an already Democratic congress.

Milam County went for Carter more than 2 to 1 in a record turnout of more than 7,200 votes. The Milam vote also went for the re-election of Sen. Lloyd Bentsen and Cong. W. R. Poage's 21st term.

Texas went into the Democratic column for president as the Southwestern base of the Carter win. Carter went to his 272-electoral margin when Mississippi's 7 votes went to the Carter-Mondale ticket about 3 a.m. Ford pulled in every state afterward until presstime Wednesday.

Failure of Minnesotan Eugene McCarthy to attract the 5 percent support in the 29 states he was on the ballot may prove to be the difference. Oregon was giving McCarthy 4 percent, the only state approximating what polls said the former senator would receive in independent votes.

Votes in Ohio were virtually identical early Wednesday as each major candidate had 49 percent in a 4-million vote turnout, the difference less than 500 votes. Ohio was one of a string of Great Lake industrial states critical to Ford's election chances. Wisconsin went into the Carter column, Michigan and Illinois to Ford.

Texas has now moved left in the political spectrum in support of the Carter New South-Northeast political structure. Until Texas, Carter had not won any state roughly west of the Mississippi River.

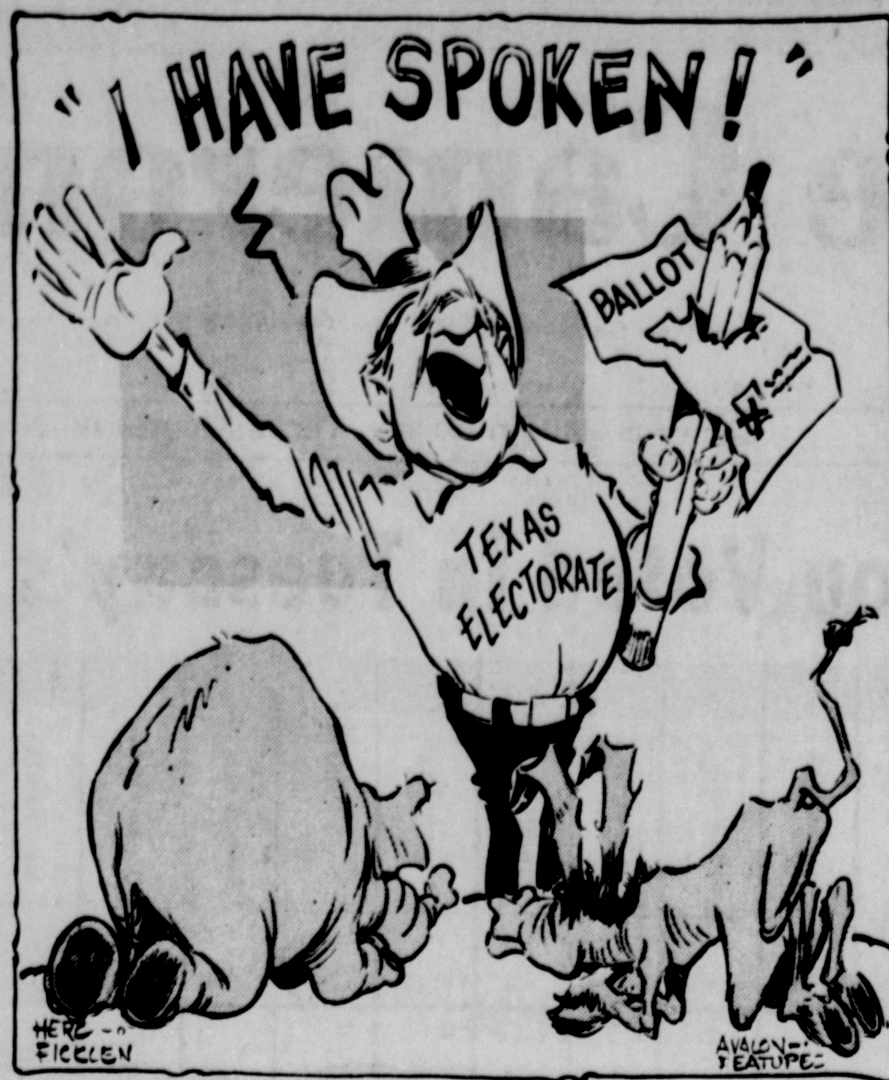

Clear weather, whirl-wind closing campaigns, and a union get-out-the vote blitz apparently favored Carter, never really helped McCarthy whose votes rarely affected either Ford or Carter. The independent vote late Tuesday and early Wednesday apparently went to Carter or divided between Carter and Ford rather than opt for McCarthy.

The political power structure has brought together industrial Northeastern New York, Pennsylvania, and all but Virginia in the old "Solid South." Ford failed to penetrate this old establishment which held for Georgian Carter.

The election was as it was anticipated, a close ballot-for-ballot count, combining union voting strength and non-metro voters for a change in the White House.

Geographically, "Ford County" was almost everything from Texas and Indiana west.

But the Carter-Mondale ticket carried the day, at least two more electoral votes than the minimum. The outcome foretells no easy time for Jimmy Carter in the White House. He enters Washington in January, the bearer of an inscrutable destiny.

## Legislators To View Finances

Texas legislators will be heading back to Austin next January for another historic session.

One of their priority items — public school finance — already has been laid out for study and opinion sizes.

A House sub-committee submitted a \$1 billion plan for the state to assume 100 percent of school costs. Gov. Briscoe unveiled his long-awaited 1977 school finance proposals, together with cost estimates and district ability to pay data, this week.

Fortunately, lawmakers will have another windfall surplus estimated at from \$2 billion to \$3 billion.

They can afford a school plan and still have cash left over, but inflation and increasing demands of state agencies will make budget-making as difficult a task as ever.

Legislators, apparently,

are in an economy-first frame of mind. Certainly, state leaders — including Gov. Dolph Briscoe, Lt. Gov. Bill Hobby and House Speaker Bill Clayton — are.

Briscoe, Hobby, Clayton, Comptroller Bob Bullock and others will offer their assessments of the 1977 session and its problems at Texas Press Association's legislative briefing at the Hilton Inn in Austin November 5.

### Unemployment Drops

The jobless rate in Texas dipped slightly to 5.4 percent in September, representing the third straight month of decline, according to Texas Employment Commission.

In August, the rate was 5.5 percent and in July 5.8 percent.

TEC Chairman Harold Dudley said the Texas rate is well below the national level of 7.4 percent for September.

"This pattern of decline is traditional for the season," Dudley said. "The fact that monthly unemployment rates are following seasonal trends indicates we can remain optimistic about Texas' future."

Rates vary widely by areas.

### Air Service Recommended

A Texas Aeronautics Commission hearing examiner has recommended approval of Southwest Airlines' application to add Austin, Corpus Christi, El Paso, Lubbock and Midland/Odessa to its system.

Examiner John G. Soule's recommendation will go to the commission which has a tentative meeting date set for December 1.

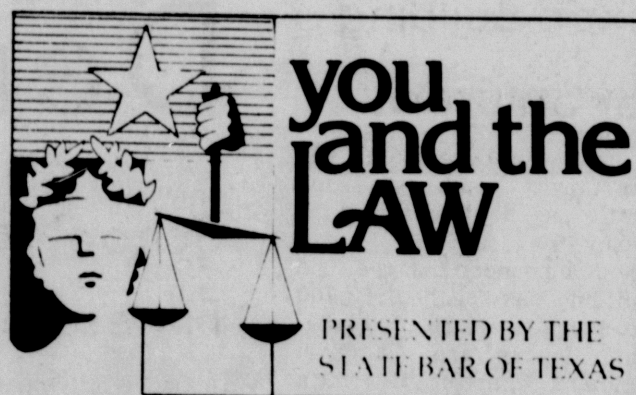

Southwest now offers economy air service between Dallas, Harlingen, Houston and San Antonio.

If new routes are approved, non-stop service will be added to the following city-pair markets: Austin-Corpus Christi; Austin-Dallas; Austin-Harlingen; Corpus Christi-Houston; Dallas-Lubbock; Dallas-Midland/Odessa; El Paso-Midland/Odessa; and El Paso-Lubbock.

Soule said the service would save passengers an average of 34 percent compared to local service and trunk carrier fares over the same or comparable routes.

### AG Opinion

A city governing body may spend public funds to defend an elected city official or employee sued in official and individual capacities if the suit involves an action within his scope of authority in the public interest, Atty. Gen.

Q: My husband and I have been separate for two years. Our teenage children are living with me. We cannot afford divorce proceedings. Is there any way I can have any property I buy put solely in my name so I can specify my children as the only beneficiaries if I die?

A: State law presumes that property held in the name of either a husband or a wife belongs to both parties until proven otherwise. This is true whether the husband and wife live together or apart.

Q: I've been living in our family home, which became my homestead when my husband died seven years ago. When our last child reaches the age of 18, can I sell the home and keep the proceeds?

A: The husband's one-half interest in a home acquired during marriage passes to his children if he dies without a will. In order for the widow to sell a home in this situation, the children would have to join the widow in the sale, or a court order would have to be obtained to force the sale if one of the owners refused to sell. Each of the owners would be entitled to their proportionate share of the proceeds from sale of the property.

Q: Can a doctor refuse to release the patient's personal medical file and all x-rays and test results to a patient or his agent when his services are terminated?

A: In absence of an express agreement to the contrary,

the patient's medical file and x-rays are the property of the physician rather than the patient, even though the cost of the x-rays are paid by the patient. Therefore, the patient would have no absolute right outside of the judicial process to the release of his records; however, a physician has an ethical duty to make a patient's records available on request to another physician presently treating the patient.

Q: My husband has a 10-year-old daughter from a previous marriage. She receives social security benefits from her mother's death. If my husband dies without a will, who would be entitled to property he owned before our marriage, who would become guardian of his daughter, and what Social Security benefits could we receive?

A: A husband's separate property, if he dies without a will, passes one-third to the widow and two-thirds to any children, except that the widow has only a life estate in her share of any real property. Grandparents and other blood kin are given first priority in a judge's selection of a guardian for a child whose parents die without appointing a guardian in a will. Social Security benefits to a widow would replace any survivor's benefits for the stepdaughter.

## OLD PHILOSOPHER

Dear editor:

Since I don't even know what's going on in the political world in Cameron, I'm certainly not qualified to discuss what's going on in China.

As I understand it, Chairman Mao has made the biggest mistake a dictator can make: he grew old and died.

Naturally when this happens there's a scramble for his job, with a lot of politicians arguing with what-  
ever guns they have at hand that each is the best qualified to lead the people toward a better life, each being equally willing to demonstrate to the masses what that better life is by taking over the fallen dictator's limousines, town house, and country estate.

It's an odd thing, but I've noticed that around the world you can't tell by the kind of car a man is chauffeured around in what form of gov-

ernment he's the head of.

But what I started out to do in this uninformed discussion of China was to point out what a setback the change in power over there has given Women's Liberation. Here one day Madame Ching, wife of Chairman Mao, is being cheered and waved at by the masses as she rides through the streets of Peking, and a few days later Widow Ching is in jail and being jeered at by the same masses.

It's one thing to say the times are not ripe yet for a woman to become President. I mean dictator, of China, but it sure seems male chauvinistic to throw her in jail for trying.

But I guess that's the mysterious Orient for you. In China, it's true, women have made great strides in seeking equality. In the cities, they've attained the right to sweep the streets, shovel snow, lay bricks, build roads, and stand shoulder to shoulder with the men to wave to whoever they've been told is the new dictator. Our in the rice fields they're even allowed to pull the plow, and when the rice is harvested, tote the bags.

China is a dark mystery, and to nobody more so probably than the average Chinese. Those folks are even worse than we are about not going to the polls.

Tell me, what's going on in Cameron?

Yours faithfully,  
J. A.

## LETTERS TO THE EDITOR

Dear Editor:

I would like to commend the Rockdale Chamber of Commerce and local organizations for the hard work and extra effort displayed to promote the fair for the enjoyment of Rockdale and surrounding towns.

My enjoyment was marred considerably by an unjust parking ticket issued Saturday evening while supporting our Chamber and local organizations by attending the fair. The citations were issued for parking in a No Parking area.

I could understand this if I had not been directed to park there after the normal parking areas were filled. After a little research I found the no parking zone was established the first day of the fair.

Under normal circumstances we would not have parked in a no parking zone. What I would like to know is why was the zone estab-

lished? Where was the police department when parking instructions were needed? Did they only show up to issue the tickets?

Since the members of the City Council would not answer these questions I would also like to know where you have to go to get an answer in Rockdale? Is this our way of showing hospitality to people who attend the fair or is the fair too large for our police department to handle?

Do the people of Rockdale support my feelings, or were the citations issued justly under the circumstances? I think it's a black mark against Rockdale when citizens and visitors from neighboring towns are shown this lack of hospitality. If anyone feels as I do, I would appreciate hearing from you.

### Miloguard Hurts Small Grain Crop

By Bill McCutchen

Wheat, oats, and ryegrass are off to an excellent start this year with no insect or disease problems noted at present. Small grains are well rooted and many are capable of furnishing grazing already.

One problem was quite prevalent on small grains last year and some is being noted this year. It has nothing to do with insects, diseases or fertilizer distribution but at first glance could be any or all of these problems.

The fields in question show a streaked appearance. Some of the wheat or oats are growing well while other strips are yellow and stunted. In every field showing these symptoms there are some spots usually on the ends of the fields where the small grains have died entirely.

The problem in most of these instances is related to the previous crop. Grain sorghum was grown on this land in the spring and summer and the land was prepared and put into small grains.

The fields in question show a streaked appearance. Some of the wheat or oats are growing well while other strips are yellow and stunted. The problem in most instances is Miloguard. Small grains are extremely sensitive to this material.

In most instances, where the small grains are not killed outright the plants will recover and make a fair crop, but crop yields usually suffer in any case.

Most producers are aware of this problem and avoid planting small grains on land that has been treated that year with Miloguard. Those that experience the problem get experience that they will never forget.

## New Feed Additive Tested On Breed Herds

### OVERTON

Although monensin, a new feed additive, is currently cleared only for use in feedlot rations, research by Texas Agricultural Experiment Station scientists shows it may be profitably included in the ration of the beef breeding herd with no ill effects. The research, conducted at the Texas A&M University Agricultural Research and Extension Center at Overton, included both heifers and lactating cows.

According to Dr. R. D. Randel, reproductive physiologist and project leader, one experiment was designed to test the effect of monensin on growth and reproductive performance of heifers. The second experiment was designed to determine the effect of monensin upon lactation, calf performance and cow performance. Others involved in the project were W. M. Moseley, graduate student; Dr. M. M. McCartor, beef cattle nutritionist; and Dr. F. M. Rouquette Jr., forage physiologist.

In the first experiment, yearling heifers were divided into three groups - the first group being grazed on wheat-oats-ryegrass pasture full time; the second group grazed wheat-oat-ryegrass pasture on a part-time basis; and the third group was maintained in drylot confinement. The monensin was incorporated into 20 percent range cubes. One-half of

each group received two pounds of monensin cubes per head per day and the remainder received two pounds of control cubes.

Heifers grazing lush wheat-oats-ryegrass pasture consistently refused to consume their daily ration of cubes and removed from the experiment. Palatability of monensin containing cubes seriously limits intake when cattle are grazing lush winter pasture on a full-time basis.

In the second group of heifers, on a very low level of feed intake, the monensin heifers gained more weight during the first 59 days of the test than did the controls. However, after 59 days, the heifers had increased feed intake and gained at nearly identical rates.

The drylot heifers receiving monensin were more efficient than the controls as they ate 10.9 percent less feed yet gained at the same rate as the controls. Monensin significantly increased the numbers of drylot heifers reaching puberty during the 171 day test period. Pregnancy or conception rates were not affected significantly by monensin in this experiment and all pregnant heifers subsequently delivered normal healthy calves.

In the second experiment, Brahman X Hereford cows were fed monensin or control cubes at the rate of four pounds per head per day from 256 days of gestation through 12 weeks of

lactation. Monensin did not significantly affect weight or body condition score in the cows which were milked. Also, monensin did not significantly affect birth weight, calf vigor, calving difficulty, or calf growth rates through 12 weeks of age.

Feed consumption was lower in cows receiving monensin than in the control cows. The monensin cows were 12.4 percent more efficient in hay conversion to productive traits than were the controls.

## 4-H NOTES

By Kenneth Waltes

Several Milam County 4-H'ers took in two fairs during the week of October 18-23 at the State Fair of Texas in Dallas and at the Rockdale Fair.

At the State Fair, Rhonda Scroggins of Thorndale brought home 3rd, 4th, and 10th place ribbons with her Brangus heifers.

In the dairy division, Shari Spence of Rockdale showed the 2nd place two-year-old Guernsey cow in the junior show and the 11th place in the open show. Shelly Hall, also of Rockdale, had the 3rd and 8th place Jersey heifer in the junior show and the 11th and 27th place in the open show.

Lori Tomasek of Buckholts showed the 11th place Hampshire barrow.

At the Rockdale Fair, Rhonda Scroggins showed the 1st place Jr. yearling Brangus heifer, which was also named Grand Champion Beef Heifer of the show and the 4th place heifer calf. Kenny Patin of Thorndale showed the 1st and 3rd place Polled Hereford, Jimmy Patin had the 1st and 4th place Polled Hereford, and Stephen Beasley of Thorndale showed the 3rd place Horned Hereford.

In the Dairy Show, Shari Spence had the Champion Guernsey. Dwayne Borho of Griffin Chapel showed the Reserve Champion Brown Swiss, and Shelly Hall had the 1st and 2nd place Jersey heifers.

I would like to remind everyone of the 4-H Method Demonstration Training to be held in Cameron at the Methodist Fellowship Hall, Nov. 3 at 7 p.m.

This will be a great opportunity to become familiar with demonstrations and we hope to see you there.

## Cattle Feeding Increases

Although many people are talking about the return of grass-fed cattle because of increasing feed prices, the latest cattle-on-feed statistics show significant increases are still coming in cattle feeding, notes a livestock marketing specialist for the Texas Agricultural Extension Service.

Dr. Ed Uvacek points out that the number of cattle on feed in the seven major cattle feeding states on Sept. 1 was up 8 percent over last year's totals, at a total of 6.4 million head. In Texas, the number of cattle on feed was even up higher--10 percent above year ago levels.

Placement of cattle and calves on feed during August was up 10 percent over last year in these seven states, while Texas figures showed a 25 percent increase in feedlot placements during that month.

On the marketing side, Uvacek points out that fed cattle marketings were above a year ago by 31 percent in the seven states during August, while Texas marketings showed a 38 percent jump.

"The interesting thing about this data is that they indicate a somewhat more positive attitude about cattle feeding among Texas feedlots," contends Uvacek. "It might also indicate that more cow-calf operators are placing their stock on feed, rather than selling them as feeders."

## Hertenberger Thornell

Mrs. Rudolph Hertenberger, 83, of Cameron died Friday in a Cameron nursing home after a long illness. Funeral was at 2:30 p.m. Sunday in St. Monica Catholic Church with the Rev. John Geiser officiating. Burial was in St. Monica Cemetery. She was born in Milam County.

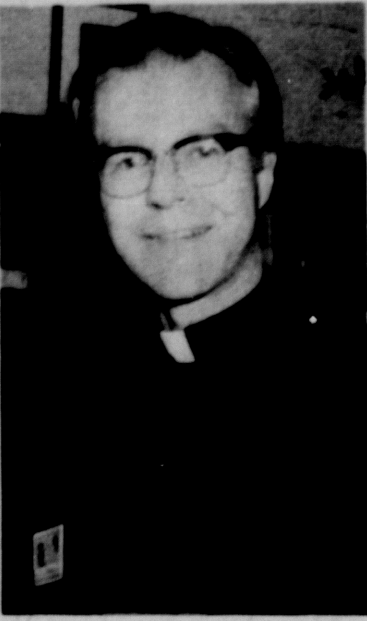

Surviving are four sons, Raymond Hertenberger, John Benard Hertenberger, and Lawrence Joseph Hertenberger all of Texas City, and Clarence James Hertenberger of Richwood; five daughters, Mrs. S. J. Wohleb, Mrs. Joe Humpalik, and Mrs. Theo Mikulec, all of Cameron, Mrs. Jack Bergeron of Sealy, and Mrs. John Vybiral of Temple; three brothers, Frank Bayer of Waco, Herman Bayer of Cameron, and Emal Bayer of Bracksville; two sisters, Mrs. Bertha Burns and Mrs. Annie Freeman, both of San Antonio; 31 grandchildren and 51 great grandchildren.

Marek-Burns-Laywell Funeral Home in Cameron was in charge.

Arthur Ray Thornell, 34, died Monday in Pasadena. He was born in Buckholts and had lived in Pasadena for the past 10 years.

Funeral service was held at Green Funeral Home of Cameron at 3 p.m. Wednesday. Burial was in Big Elm Cemetery near Cameron.

He is survived by his wife, Mrs. Carol Thornell; one daughter Connie, one son Arthur Ray Thornell Jr. all of Pasadena; his mother, Mrs. John Eaton of Buckholts; three sisters, Mrs. Bobbie Eaton of Temple, Mrs. Johnnie Sue Sapp of Cameron and Mrs. Helen Johnson of Buckholts.

## Service Set At Cameron, Maysfield

The sacrament of the Lord's Supper will be observed at the 11th Sunday of Kingdomtide worship services this Sunday at the Maysfield and First Methodist Churches of Cameron.

The scripture lesson will be read from Matthew 22: 15-22. Special music will be presented by the chancel choir under the direction of Mrs. Tommy Corley and Mrs. Hilliard Thomas will play the organ.

John Batte will present the Laymen's stewardship message. The communion offering will be used for the local community relief fund.

Important Bryan District events include a Christian Leadership Training School at St. Paul's Church in Bryan on November 13. This opportunity for special study for all teachers, workers and class officers in the Church School will be held from 9:30 a.m. to 4 p.m. Church School Supt. James Camp is in charge of the registrations.

Newly appointed Bishop Flins Crutchfield will be the speaker for the District Conference that will be held at the First Methodist Church in Bryan on November 28 at 3 p.m.

The members of the United Youth Fellowship wish to express their appreciation to everyone for their cooperation in the Trick-or-Treating for UNICEF on Sunday evening. A total of \$60 was collected for this worthy program.

## Funds Asked For Sharp Cemetery

The Sharp Cemetery Association has been reorganized and is attempting to set up a fund for perpetual care of the cemetery.

Interested persons may make donations to the Sharp Cemetery Association and mail to Hayden W. Willis, secretary-treasurer, Rt. 1, Buckholts 76518.

The Association is having a general membership meeting Sat., Nov. 6 at 10 a.m. to give more information to those interested in this work.

**GUEST SPEAKER** at a ministers' forum on "Death and Dying" at St. Edward Hospital Tuesday was Rev. William Graham, of Houston. A luncheon followed the meeting of local ministers.

CAN'T  
REACH  
HIM...

They call him a problem child. "Can't reach him," say some. "He won't respond," echo others. Young as he is, he's already been in trouble with the police.

Why? There are lots of words, lots of phrases, to describe youngsters like this. The papers are full of them every day. There are lots of excuses given—for him, and for society. Are they valid?

This boy has parents. Why can't they reach him? Is it, perhaps, because they can't really reach themselves? Because they've never found themselves?

Self-discovery takes courage. It doesn't come easily. It takes help. It demands faith. The starting point for a quest of this kind is in the Church. This boy needs the Church. So do his parents. So, for that matter, do we all!

## Happy Anniversary

## London Press Gossips Link Prince Charles-Davina

By Leslie Dowd

LONDON

Reuter - Press gossips here have been strongly predicting that a 25-year-old socialite named Davina Sheffield may one day be queen of England.

The story - lavishly illustrated with pictures of the attractive young woman - that has been regaling the British is that Miss Sheffield, who has known Prince Charles for two years, may well marry him.

Friends and relatives have scoffed at the notion and an exasperated Davina said, after a weekend of being chased around a remote Scottish island by photographers, "I'm bored with everyone suggesting there's a big romance between us."

She added that she had not even seen Charles, who commands the minesweeper Brionington, since last June.

Nevertheless, such excitement over the Prince's choice of a bride is bound to grow for the heir to the throne, who will be 28 in November, is widely expected to marry fairly soon.

The Prince would accede to the British throne if his mother Queen Elizabeth II, who has reigned for 24 years and is now 50, should die or abdicate in his favor.

There has long been speculation here that Queen Elizabeth may step down in favor of her son, who would become Charles III and that the Prince would certainly wish to be married well before his coronation.

Apart from having said he thinks 30 would be a good age to marry, he leaves the Royal Navy at the end of this year and most people here believe an engagement will come in the next few years. Next year would be especially propitious as it is Jubilee Year, marking the Queen's quarter of a century on the throne.

The polo-playing Prince of Wales has had many girl friends and has appeared to relish his long bachelorhood.

The handsome, sober-suited Charles, who has worked hard to fit himself to become king, knows the awesome pressures that would fall on a bride not brought up to the royal task, as he has been.

Miss Sheffield, though laughing at the idea that she might be the next queen,

has many of the qualifications to be a royal bride. She went to the right schools and comes from a suitable upper-class family.

Her former boyfriend, 32-year-old powerboat designer James Beard, brother of the Countess of Northampton, was recently quoted in a British newspaper as saying, "I am sure she will make a first-class wife and thoroughly good queen."

Miss Sheffield dabbled in interior designing and ran a craft shop in Kensington. Then she broke away to Vietnam and tended war orphans until forced to flee to Bangkok just before Saigon was entered by communist forces last year.

There is a tragedy in her life. Her mother was brutally murdered by robbers who broke into her country house.

Prince Charles, the first royal heir to be educated outside of the palace, has abandoned some of the rigidity of the crown and gives press interviews that would be unthinkable for his mother.

He has talked to interviewers of his loneliness, and of his concern that he should make the right choice in his marriage.

"The last thing I could possibly entertain is getting a divorce," he told a magazine interviewer.

His great-uncle, Lord Louis Mountbatten, once said, "loneliness is something royal children have always suffered from and always will."

Prince Charles recently told a Canadian interviewer he had thought of marrying a princess or royal person as "they do know what happens."

His own family affords illustrations of the difficulties faced by a member of a royal family in marrying. His aunt Princess Margaret is separated from her husband. His great-uncle King Edward VIII had to give up the throne because he would not renounce the woman he wanted to marry, American divorcee Wallis Simpson.

Charles, who once admitted "I'm pretty square," has always had an eye for attractive young women. He has taken them to watch polo and danced cheek-to-cheek at Annabel's, a fashionable nightclub.

The press showed great

interest in his long friendship with Lady Jane Wellesley, The Duke of Wellington's daughter, and other young women they believed he might marry.

Some of them, such as Lady Leonora Grosvenor and Lady Caroline Percy, are now married. His name was briefly linked by gossip columnists with Monaco's Princess Caroline, and he once escorted Princess Elizabeth of Yugoslavia, Richard Burton's former fiancée.

Prince Charles has, however, devoted himself with great seriousness to acquiring the skills he will need as a monarch and reminds people strongly of his accomplished father, Prince Philip, Duke of Edinburgh.

Britain's constitutional monarchy is one of the last in the world. Long gone are the days when the sun never set on some part of the British empire, and Charles himself has said of the modern monarchy: "there can be influence; there is no power."

## Giant Art & Craft Show

Saturday, November 20 at the Waco Convention Center, First and Washington Avenue, Waco, from 10 a.m. to 6 p.m. a "Giant" Art, Craft, antique, and Plant sale will take place.

Booths, 10' x 10', will cost \$15 with the participants furnishing their own tables, display boards, etc. Payment should be made in advance to insure space. However, we will accept payment on Saturday morning as space permits. Please send your check and reservations to William Greiner, Art Show, P. O. Box 3204, Waco, TX 76707; or call 772-2417.

Concessions will be open all day and there will be no admission charge. November 20 will be a big day in Waco - Johnny Gimble's country and western show and dance will begin at the Convention Center at 8 p.m.

The day-long event will be billed as a "Pre-Christmas Sale." Assisting with the arrangements will be the Waco Chapter of the Ladies Auxiliary of the American Federation of Government Employees.

MRS. KENNETH LEE ELLIOTT

## Law-Elliott United In Marriage Ceremony

Miss Callie Roxanne Law and Kenneth Lee Elliott were united in marriage on Saturday, October 23 at 7:30 p.m. The setting for the wedding was the Central Presbyterian Church, with the Rev. John D. Craig officiating.

The bride is the daughter of Mrs. Samuel William Law and the late Dr. Law of Houston. She is the granddaughter of Mr. and Mrs. C. R. Law of Cameron.

The groom is the son of Mr. and Mrs. Roy Kenneth Elliott of League City.

Given in marriage by her brother, Sherman Brumlow Law, the bride selected a gown of silk organza and lace in a shade of ivory. The fitted bodice of Alencon lace and portrait neckline had long tapered sleeves in sheer organza. The lace accents were jeweled with bridal pearls.

From the tiny waist, a shaped skirt flowed to a hemline and a full cathedral train with matching lace. Motifs of lace and pearls were scattered over the skirt. To complete her gown, she wore a Camelot Cloche of lace embroidered with patterns of pearls. Her veil was a bouffant cloud of hand-rolled silk cascading over the back of her gown to beyond

the length of the train.

For her attendants the bride selected slipper-length gowns of delft blue jersey designed with scooped necklines, full bishop sleeves, and a set-in yoke belt. They wore Juliet caps of matching net and braided ribbon.

Serving as her maid of honor was Karen Kay Henry. Bridesmaids were Mrs. Richard Maxwell Law, Helen Karen Little, Susan Cowan, Julianna Guyer, and Diane Marie Scott.

Best man was Alfred Rushing. Groomsmen were Richard Maxwell Law, Gary V. Rogers, Gary S. Rollins, Frank Bertrand Jr., George Lee Alexander.

Ushers were Dr. Samuel William Law II, Kenneth Floyd Chenault, Michael Anthony Mandola, Lewis Charles Williams Jr.

Members of the house party were Mrs. Sam W. Law II, sister-in-law of the bride; Mrs. James Russell Hoffpouir, and Miss Pamela Jane Bouldin, both cousins of the bride; Miss Tammy Ann Elliott, sister of the groom; and Mrs. Frank Bertrand Jr.

After a wedding trip to Colorado, the couple will reside in Houston where the groom is associated with Digicon, Inc.

## Holiday Magic Programs At Taylor H.S.

"Stop and look at the calendar: It's less than two months to Christmas. Wait a moment while I faint!"

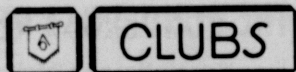

Is this the way you feel every year when Christmas rolls around? Get the jump on Christmas this year and come to the Holiday Magic Programs being held Nov. 9 at 2:30 p.m. and again at 7 p.m. at the Taylor High School on the Granger Highway.

Mrs. Natalie Moscarelli of The Party House in Austin will be doing part of the program on gift and decorations for the holidays.

Mrs. Betty Hull, consumer information specialist with Lone Star Gas Co. of Bryan, will be doing part of the program on food ideas, gifts, and gift packaging.

The same program will be presented at 2:30 p.m. and again at 7 p.m. These programs are sponsored jointly by the Milam and Williamson County Family Living Committees and by the Williamson and Milam County Extension Service.

These programs are open to everyone and are free of charge, so come and bring a friend and get the jump on the holiday season.

The HERO Chapter of the FHA will be selling Christmas wrapping paper and ribbon. If interested contact any member at the home-making building. Phone 697-3491.

# Yoe JV Downs Hearne, 14-0

The Yoe High junior varsity defeated Hearne last Thursday night at Yoe Field in wet and cold weather, 14-0. The Yoe freshmen team lost a heartbreaker to Hearne, 6-0.

The Yoe JV upped their season record to an impressive 6-2-0 when their offensive dominance crushed the Hearne defense.

There was little doubt what the outcome would be throughout the rainy 32 minutes of play.

On the first offensive series the Yoe JV took the kick-off and drove to the 10 yard line. But on two successive penalties a T.D. pass was called back.

The Yoe offense then gave up the ball on their 15 yard line.

The Yoe defense held for 4 downs and took over on

their 20 yard line. Just 3 plays later Yoe quarterback Edward Steamer kept the pork and blasted around the right end for the 12 yard run into paydirt.

The PAT failed giving the Yoe a slim lead, 6-0.

In the second quarter the slippery pigskin caused 2 big fumbles in a row for the Yoe offense and thwarted scoring drives.

At the halftime buzzer the Yoe offense was again in scoring position but time ran out giving the Yoemen a 6-0 lead.

At intermission the Yoe offense returned to dominate the final 2 quarters of play.

On the first offensive series of the second half the Yoemen marched 65 yards for their second scoring drive.

David Rinn from his full-back position toted the mail from 20 yards out to give the Yoemen a 12-0 lead.

Steamer on a QB keeper plunged in for the 2 point conversion giving the Yoemen a 14-0 lead.

In the 4th quarter the Yoe offense continued to grind out valuable yardage but were unable to score.

Defensive standouts for the Yoemen included: Partee Roberson, defensive end; Connie Green, outside linebacker; and Billy Pittman,

defensive halfback.

This marked the second shut-out in a row for coach Roy Knight's fighting Yoemen.

In the freshmen contest the Yoe offense was unable to break the big Hearne defensive line.

At the end of the first quarter it was a defensive stand still.

In the second quarter the Hearne defense blocked a Dow Dodd punt and took over in excellent field position with the ball resting on the 15 yard line.

In 2 plays the Hearne offense broke for the touchdown. The try for 2 was thwarted by the Yoe defense giving Hearne a 6-0 lead.

At halftime the score remained 6-0.

The golden opportunity availed in the third quarter when the Yoemen recovered a punt on the 18 yard line. But the offense was unable to unch into paydirt.

The game ended 6-0 giving the Yoe freshmen a 1-6-0 season record.

Edward Rosemond had an outstanding night both on offense and defense for the Yoemen.

Both teams will be playing in Manor Thursday. The Yoe freshmen will begin at 6 p.m. followed by the JV at 7:30.

## Yoe Hosts Manor In Last Home Game Friday

In the final home game of the season the Cameron Yoemen will host the Manor Mustangs. The Mustangs will bring their '76 campaign to Cameron with a 5-3-0 season record and a 2-3 district record.

The Yoemen will put their 2-3 district record on the line as both teams will try and salvage their district records.

The Mustangs have 3 of defensive and 7 defensive regulars back from their 6-4 season last year.

This season the Mustangs offense has scored 76 points while their defense has given up 105 points. This averages just over 9 points a game for the Mustang offense while the opponents have scored just over 13 points a game.

The Mustang offense will be without the full services of do - it - all runningback Curtis Habbit. Habbit is a 6-3 and 215 senior that has suffered from a chipped bone in his leg.

Although he will not be full strength Coach Cauley said, "The Mustangs will use Habbit when they get in scoring position. He is a real effective runner."

The over-all strength of the Mustang offense will lie in the hands of their field general Steve Smith. Smith is a running and throwing quarterback.

Smith will be running the option and will also throw the ball. The offense has changed from their wishbone to the split backfield and the Houston veer. The change came after Habbit's injury.

The Mustang offense will be running to the outside and will blend the option with the veer and sweeps.

The offensive line for the Mustangs will average 165 pounds per man and will be one of the smallest lines the Yoe defense has faced all season. The Mustang backfield will average 175 per player.

Coach Cauley said, "We are expecting to see an aerial bombardment this Friday night and we are making some adjustments for their passing attack."

The Mustang defense is also one of the smallest that the Yoemen have faced. The defensive front line will average 164 pounds per player. The defensive secondary will average 153 pounds.

Habbit will double as the leader of the Mustang defense and will be manning the battle station as the defensive tackle.

The Mustang defense will line up in a 6-2 formation and be shooting the gaps.

Cauley said, "It's hard to say what kind of defense they (Manor) will run. They will line up one way and come another. We have worked hard on offensive blocking assignment for this game."

Manor has put together an impressive team according to Cauley and he said, "Manor is a respectable football team. Rockdale scored on 2 long runs against them and beat them 28-0 and against Caldwell they were leading a great deal of the time."

Friday night will not only mark the close of home games for the '76 Yoemen but will also be Parents night. All parents of the Yoemen will be introduced during special pre-game activities. All parents are encouraged to take part in this annual event.

The Yoe High band will also honor their 1976 Band Sweetheart during the pre-game festivities.

FORREST GUESS

**BAND POWER...**

Monday night the "Goin' Band from Yoe Land" gave a sneak preview of their University Interscholastic League performance. They performed in Waco on Tuesday afternoon.

How do you make a successful band program?

With a lot of hard work and many long hours.

Well, that's just what Yoe High Band Director Jerry Bartley's marching 130 have done.

Every Friday night the blowing band of the Yoe high School has thrilled opponents crowds and most certainly the Cameron fans.

At that preview Monday night a crowd of 250-300 watched the Yoe Band go through their UIL performance and it has in the past brought the crowd to their feet.

Bartley said, "It's so great to see people interested in their band program. The band works hard and they appreciate seeing that their work is appreciated."

The work is appreciated -- and the fans and boosters of Cameron do say -- Thanks Band, Your Number One!!

It will be the last home game in the 1976 campaign for the Yoemen this Friday night. Here's hoping that the Cameron fans will look at that positive shiny side of the coin and fill the stands to say: "Thanks Yoemen."

**ROCK'N-DALE...**

Millam County Number One ranked 2A team in the state, Rockdale, will have a chance to get that District 23AA crown this Friday night when they face the Elgin Wildcats.

The Tigers will be without the services of their fine quarterback Kerry Locklin. Kicking specialist Tony Garza's return is still questionable.

The win over Caldwell was an expensive one for the Tigers and the all important cog of QB Kerry Locklin will be missed. The field general is the main cog of the entire football team.

As has happened to Cameron this year, broken legs have been costly. An unfortunate accident for any youngster.

I'm calling the Tigers the district champs by 14.

**CAULEY SAID...**

"I really didn't know what to say to the team at halftime last Friday night. I have just about run out of pep talks and I have used up all my speeches."

"I called on Coach Graham to talk to them."

"Once the ball is snapped there is nothing that the coaches can do, but it is left up to those 11 players to execute their assignment."

"It seemed like we were just waiting around for something magic to happen. It will never happen -- you must make it happen."

"I really don't know the answer and I know it's my job to know the answers. We just haven't been able to put 4 quarters together."

"We have just got to get together and play four quarters of football. We just continue to have some silly breakdowns and they end up being costly."

"We haven't learned to lose and were not happy with losing."

"Manor has an explosive team and they are going to be a respectable ball team."

"We're going out to win this one Friday night."

**RECORD...**

Please, the election is over. This record doesn't deal with politics but with sports. We can take a breather after the last ballot was counted, but let's review the record of the Yoe football team thus far this season.

The record is as close as the election was last Tuesday. The Cameron Yoemen have 14 points between a 2-5-1 season and an undefeated season.

The Yoemen have outscored their opponents by five points, 79-74. But the record shows the dismaying 2-5-1.

Looking at the negative side of the coin the season looks poor in the terms of the record. But as everyone knows that coin has another side. The positive side of the coin shows three losses that came down to a PAT. A winner goes for 2 in every case and losers go for ties.

Cameron boosters are looking at that positive side of the coin -- I suppose that's what makes Cameron different from most places.

## Yoe Fems To Host District Tournament

In the final district game of the season the Yoe feds defeated Hearne 15-3, 15-9 in volleyball action last week. In the junior high version the Yoe feds won; 15-0 and 15-7.

The Yoe girls will host

the District 23-AA Volleyball Tournament this Saturday at Yoe High gym. The district tourney was scheduled Elgin but in the last week was changed to Cameron.

The district tournament will feature all District 23-AA teams that competed in district: Caldwell, Cameron, Elgin, Hearne, Manor, Rockdale and Rosebud-Lott.

The winner of the tournament will play the 1st place team throughout regular play. The winner has not been determined as of press time.

The first game will begin at 9 a.m. and the finals will start at 5 p.m. Saturday November 6.

In volleyball action last week the varsity was able to end their regular season with an impressive offensive win.

Janet Angell was high point server with 12 points which were served in a row. In the one sided victory the Yoe feds didn't even rotate completely so some girls didn't even get to serve.

In the JV game Ramona Kelley led the scoring with 8 followed by Brenda Gags and Maria Capers with 6 points each.

The freshmen team played the entire second game and this marks the end of the season for the junior varsity team. Their season ledgers shows, 9 wins and 0 losses.

High point server for the year was Pam Kimbrel with 68 followed by Ramona Kelley with 45. Vicki Brashair had 37 points followed by Laura Delony with 32.

Pictures of the 76 volleyball team will be featured in next week's Thursday's edition. Along with a recap of the district results.

## Eickenhorst Makes U of H V'ball Team

Rosemary Eichenhorst of Cameron has made the women's volleyball team at the University of Houston.

The team is playing the UCLA tournament Thursday in California and will play in Hawaii on Sunday.

MIKE PECK

JAMES PAIR

James Pair will fill the split end position for the Yoemen this season while also alternating in at the defensive linebacker position. Pair is a 17-year old senior at Yoe High and stands 5'9" and weighs in at 147. He will be wearing jersey #82. He has participated in football since the seventh grade.

James is the son of Mr. and Mrs. James Pair of Cameron.

Along with his participation in athletics, James is also active in the Jr. Historians and is a member of the Spanish Honor Society.

When asked to cite favorites on the pro and college levels, James picked the Dallas Cowboys and Texas A&M, respectively.

The past summer James spent his time working and running to keep in shape. After high school James plans to attend college, but is undecided on a major at the present time.

JOHN MCINTYRE

John McIntyre will fill the safety position for the Yoemen this season.

McIntyre is a 16-year old junior at Yoe High. He stands 5'10" and weighs 155. He has participated in football since the seventh grade.

John is the son of Mr. and Mrs. Charles H. Evans of Burlington.

Along with football, John is active in the track program at Yoe High.

When asked to cite favorites on the pro and college level John picked the Dallas Cowboys and the Oklahoma Sooners, respectively.

The past summer John spent his time driving a tractor, fishing, and just taking it easy while awaiting the football season.

Our school Halloween Carnival Saturday night was a success, as in years' past.

This thanks goes to the teachers, students, parents and interested people of the community. There were a number of people from out of town who attended our carnival and we're glad they came.

The children all seemed to have a good time at our Halloween party Sunday night. There were 36 children present who spent the evening playing games, listening to records and eating.

Around 16 parents also attended. Out of town guests included Staci Hux of Cameron, Regina and Trent Miller and parents of Milano and Dwayne, Lisa and Carmen Cass and parents of Lexington.

Mr. and Mrs. Tommy Ray Mitchell, Dwayne and Audra of Freeport visited during the weekend with Mrs. Ethel Mitchell. They went on to Cameron to attend the funeral of her grandmother.

## O J Thomas Sports News

The OJT Young Yoemen defeated Hearne in an impressive display of running by Rusty Crummer who scored 3 touchdowns to vault the eighth grade Yoemen, to a 23-14 win last Thursday night in Hearne.

In the seventh grade game the OJT Young Yoemen were able to hold on to an 8-6 win over Hearne.

After taking the opening kick-off the 8th grade Young

Yoemen marched 70 yards to take the early lead. James Mondri, OJT kicking specialist, booted a field goal from 15 yards out. The field goal ended up being a 32 yarder. The OJT 8th grade took a 3-0 lead.

Late in the first quarter the Eagles took the lead after marching 60 yards and scored on a 40 yard run. The try for 2 was good and the Eagles took the lead,

8-3. In the second quarter the OJT offense began to find running room up the middle of the Hearne defense.

Rusty Crummer blasted 60 yards for the first OJT touchdown. Quarterback Alan Sapp connected with Jasper Harden for the successful 2 point conversion. OJT took the lead, 11-8.

The lead held through the quarter and at the halftime intermission the OJT offense had commanded the lead.

In the third quarter the Hearne offense drove to the OJT one yard line but the Young Yoemen defense was able to hold and took over on downs.

Two plays later on the OJT series, Crummer broke 94 yards for the second OJT touchdown. The PAT for 2 failed and the Young Yoemen increased their lead, 17-8.

In the final period Hearne was able to connect on a long pass that netted their touchdown. The PAT failed and the OJT 8th graders remained in the lead, 17-14.

With only 7 seconds remaining in the game Crummer again broke from 50 yards out and ignited his after-burners for the final OJT TD and the final play of the game. The PAT failed and the OJT Young Yoemen increased their record to 5-1-1 for the season with the 23-14 win.

In the game Crummer was

the leading ground gainer picking up 279 yards of foreign soil.

The eighth grade OJT Young Yoemen will face Hearne again Thursday night with kick-off time scheduled for 7:30 p.m. at Yoe Field.

In the seventh grade game the OJT Young Yoemen fought out the first two quarters to a head-knocker and at the half-time intermission the score remained, 0-0.

In the third stanza OJT began a series of effective running by Richard Roberson. From 6 yards out Roberson got the call and dashed into paydirt for the TD. The 2 point conversion try was good when Roberson plunged across the magic line.

The OJT Young Yoemen held onto the 8-0 lead until the middle of the fourth quarter. Hearne was able to score after recovering a OJT fumble on the 20 yard line.

On the two point conversion try a pass attempt was dropped giving a thrilling victory to the OJT 7th grade.

Defensive standouts included Bill Huffman, Jeff Boutwell, Dan Corley and Eugene England.

The 7th graders now stand 4-2-1 for the season and will face the Hearne Eagles again this Thursday at Yoe Field. The kick-off time is scheduled for 6 p.m.

## San Gabriel

By Mrs. W. McDaniel

Visiting their mother, Mrs. Betty Harrison, last week were her daughter, Mrs. J. C. Archer and husband of Freeport. Friday they visited their brother and uncle, Will Lovelace at Sweetbriar Rest Home in Taylor. They also visited, Tom Baird who is Mr. Will's roommate. Sunday afternoon visitors were Mr. and Mrs. Willie Smith of Rockdale.

Mr. and Mrs. Joe Gilchrist were called and told of a very close friend J. C. Helbert of Fairfield suffering from a heart attack.

Mr. and Mrs. Bill Beason, Kendall and Amy were weekend guests of friends Mr. and Mrs. H. R. Hardins and family of Lake Whitney.

Mr. and Mrs. Kenneth Caffey, Stewart, Sherry and Rebbecca of Salty were dinner guests of their parents, Mr. and Mrs. Jim Stewart, Sunday.

Tabath and Arron Gifford of Rockdale spent the weekend with their grandparents, Mr. and Mrs. Guinn Gifford.

Mr. and Mrs. Hugo Linke were in Temple Friday.

Mrs. Andrew Garner was very happy last Monday when she received a phone call telling her of her new grandson, Christopher Andrew, 8 pounds. He is the son of Mr. and Mrs. Frank Dittmore the former Lou Garner. He is welcomed by a sister Kelly.

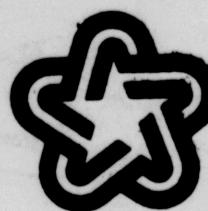

Mr. and Mrs. W. McDaniel spent the weekend with her brother, Kenneth Daniel, and wife of Houston. Saturday night they were honored with a barbecue supper at Mrs. McDaniel's nephew, Butch Danile and family of Conroe. Other guests were Mr. and Mrs. Gerald Greer and children a niece of Jasper. Then on Sunday their son, Billy Joe and family of Pasadena came and spent the day with them. Others there for dinner were Mr. and Mrs. Walter Brown.

They all enjoyed another barbecue dinner with all the trimmings.

Mr. and Mrs. Jim Stewart visited Mrs. Earnest Hodge at Davilla Sunday afternoon.

Mrs. Jim Stewart went on a tour Tuesday at Fredricksburg and the LBJ Park and ranch with the Taylor Garden Club.

Mr. and Mrs. Henry Abel

## Card Of Thanks

We would like to thank all those who sent flowers and cards, said prayers, or performed any kindness during the illness and loss of our loving sister and aunt, Emma Grove. Thanks to Dr. Richardson, Dr. Kruse, Sisters and staff of St. Edward Hospital, Marek-Burns-Laywell Funeral Home, and Rev. Stanley Vodka. The Families of Emma Grove

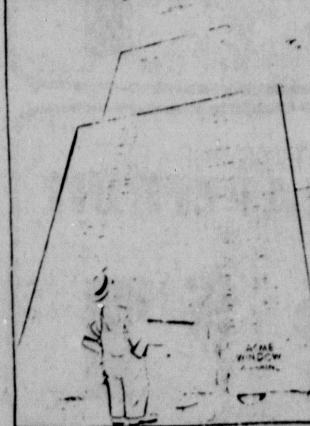

The family of Caroline Hertenberger wishes to express their deepest appreciation to all their friends and relatives for all the acts of kindness and sympathies at the loss of our mother. We also want to thank Dr. S. H. Richardson, Father John Geisler, and Father Alois Pavlicek, and a very special thanks to the entire nursing staff and administrators of The Colonial Nursing Home for the wonderful care and tender love given to our mother during her stay in The Colonial Nursing Home. Thank you all. The children of Caroline Hertenberger

We want to express our heartfelt thanks and appreciation to our friends, neighbors, and relatives for the many acts of kindness, comforting words, the food, beautiful floral offerings, memorials, and Mass offerings received during the loss of our loved one, Emil J. Walzel. We deeply appreciate everyone's thoughtfulness at this time.

A special thanks to Father Paul McCallum, Father Louis Pavlicek, The Cameron Volunteer Ambulance Service, and Ed Laywell.

God bless you all.

## MULTIPLYING CLIPS

Show hardcover book with a paper clip on one of the pages. Say, "strange how these things multiply." Put four more paper clips on the open book. Pour them into a hat. Then, pour them out of the hat. More come out of the hat than the audience thought went in.

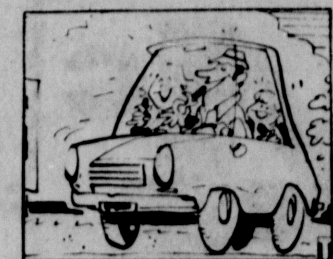

The secret of this trick is one of many found on Dixie Magic Tricks Cups for Kids. You hide extra clips in the tunnel the cover makes with the book open. Tilt the book into the hat. The clips spill out. (Don't give the number of clips. Some may stick.)

NEWS  
OF TRAVEL

## Short And Sweet

There's no place like home—for people who like to travel. A dandy day trip or wonderful weekend with the whole family can start with a call to the Chamber of Commerce or one of America's more than 3,000 historical societies for information on landmarks, museums, scenic or historic sites and things to see and do.

If you'll be out after sundown, you may want to pack sweaters or a blanket. You should be sure your car is in good condition, including the defroster and windshield wipers. Pack snacks the whole family can enjoy such as oranges, cookies or other treats. Keep a garbage bag in the car, don't forget sunglasses and maps, and have a good time.

A brief statement of the nature of this suit is as follows, to-wit:

Suit is by THE DOW CHEMICAL COMPANY, a corporation, Plaintiff in Trespass to Try Title as provided by Rule 783 of the Texas Rules of Civil Procedure and the Statutes appertaining thereto, the said Plaintiff alleging that it is the sole and only owner of and is entitled to fee simple title to all that certain tract of land, lying and being situated in Milam County, Texas, being a part of the William E. Harris Headright League, known also as League No. 17 on the Brazos River and described by metes and bounds as follows:

Beginning at a stake on the South line of said league, it being the S. W. corner of a survey made for James and Lewis Stedman for the S. E. corner of this tract from which a post oak bears N. 60 W. 3 vrs. and another bears S. 60 E. 5 vrs.; Thence S. 60 W. 380-1/2 vrs. to a stake for corner; Thence N. 30 W. 1214 vrs. to a stake for the N.W. corner of this tract, it being in the North line of the original tract of 160 acres conveyed to Lewis Parker by W. H. Tarver by deed dated June 2, 1870; Thence N. 60 E. 380-1/2 vrs. to the N. E. corner of this tract, it being the N. E. corner of said original tract of 160 acres, from which corner a post oak bears S. 21 W. 9-1/4 vrs. and another bears N. 68 W. 8 vrs.; Thence S. 30 E. 1214 vrs. to the place of beginning, containing 81.8 acres of land, being the East half of the tract of 160 acres above mentioned, conveyed to Lewis Parker by W. H. Tarver.

And Plaintiff brings this suit in Trespass to Try Title against you jointly and severally for the title and possession of such land.

Herein Fall Not, but of this writ and citation make answer as the law requires on or before the date aforesaid. If this citation is not served within ninety (90) days after the date of its issuance, it shall be returned unserved.

The officer executing this writ shall promptly serve the same according to requirements of law, and the mandates hereof, and make due return as the law directs.
